		SECRET	INFO REQ'D	ACTION																																																																																					
TO	Chief of Station, JEWAVE		X	MAILING FOR PROLIFERATION																																																																																					
INFO				NO MAILING REQUIRED																																																																																					
FROM	Chief, Task Force V			MAIL QUARANTEED																																																																																					
SUBJECT	OPROG/AFNOS/Operational DKE map of Communist installations in Cuba			MAIL QUARANTEED NO MAILING REQUIRED																																																																																					
ACTION REQUIRED REFERENCES																																																																																									
ACTION: Reply to Reference																																																																																									
REF: UPGW-1451, 8 Nov 62																																																																																									
<p>Reference forwarded a copy of a map that was widely published in U. S. newspapers and was attributed to the DKE showing purported Algerian and Ghanaian military installations among others in Cuba. At that time Headquarters asked JEWAVE to try to determine whether the DKE had hard evidence of African forces in Cuba. Please notify us whether you have obtained any such evidence.</p>
